Skills this role needs

Fundraising campaigns	Donor relationship management	Corporate and foundation partnerships	Proposal writing	Presentations

Job description

Nisarg Agripreneurship Foundation

Nisarg works with communities to build a fairer and more sustainable future. Its work supports children, women, farmers, artisans and the natural world, with a strong focus on better livelihoods. The team believes in equity, working together and growing with care for each other. People at Nisarg are valued as their full selves and are supported to learn and grow.

Role

The Fundraiser will lead Nisarg's work to raise money and support, with a main focus on funding its three flagship programmes. You will plan and run fundraising campaigns, build lasting relationships with individual donors, HNIs (high net worth individuals), companies and foundations, and prepare strong proposals and presentations that show the difference Nisarg's work makes.

Responsibilities

- Plan and run fundraising campaigns that raise support for Nisarg's three flagship programmes.
- Find and reach out to new individual donors, HNIs, companies and foundations.
- Build and maintain lasting relationships with existing donors and partners.
- Write high-quality funding proposals that clearly explain Nisarg's mission and impact.
- Prepare presentations and other materials that share Nisarg's work with supporters.
- Coordinate with programme teams to gather stories, results and information for donors.
- Track funding progress and keep donors updated on how their support is used.

Requirements

- Experience or strong interest in fundraising, including working with individual donors and HNIs.
- Ability to build partnerships with companies and foundations.
- Strong writing skills for funding proposals and donor communication.
- Ability to create clear and engaging presentations about an organisation's work.
- Skill in planning and running fundraising campaigns from start to finish.
- Based in or willing to relocate to New Delhi or Bhopal.

Benefits

- Work on programmes that make a real difference for communities and the environment.
- A caring workplace built on empathy, trust and integrity.
- Continuous learning, with support for both professional and personal growth.
- A diverse, inclusive team where every voice is heard and valued.

About the organisation

Nisarg Agripreneurship Foundation

Rural Livelihoods, Education & Environmental Conservation

nisarg.org.in ↗ More on aikyamjobs.org

Profile

Nisarg is a heartfelt initiative dedicated to transforming lives through sustainable community development. The organisation's journey began in the lush landscapes of Manipur, where it formed deep, emotional connections with farming and artisanal communities, helping them realise the power of entrepreneurship and collective growth, driving significant economic, social, and emotional advancements.

Youtube Video

Nisarg meaning "nature" aspires to lead in sustainable development by fostering innovative education, inclusive livelihoods, and environmental stewardship, creating a future where every person, especially women and children, can flourish in resilient, equitable, and nature-aligned communities, empowered by technology and collective effort.

> *Head Quarters: New Delhi, Delhi*

Major Areas of Work

- Education (AbhiShala): Meaning "Temple of Education" in Sanskrit, a transformative social program dedicated to revolutionising the education sector for underprivileged and deprived children.
- Rural Livelihood (SyLife): Driving both economic betterment and greater social transformation in rural communities through cluster-based development.
- Environmental Conservation (Pragati Through Prakriti): Emphasising ecological sustainability and biodiversity preservation in rural and semi-urban settings.
- Cluster Development: Building community enterprises across India through a holistic, gender-sensitive, and technologically integrated development approach.

Major Initiatives & Programmes

- AbhiShala (Education): Nisarg's flagship education program, including Teach HUB, focused on revolutionising learning opportunities for underprivileged children.
- SyLife (Rural Livelihood): Skill development and income-generating initiatives designed for economic and social transformation in rural communities.
- Pragati Through Prakriti: An environmental conservation initiative promoting sustainable agricultural practices and responsible use of natural resources.
- Gender Sensitization Workshops: Community workshops promoting gender awareness and sensitivity.
- Katha Storytelling & Musical Workshops: Creative, culture-based engagement programs for community and children's development.
- Bright Minds Life-Skills Workshops: Workshops building essential life skills among children and youth.

Impact

Nisarg's work is guided by four pillars, Pioneer, Grow, Serve, and Sustain, reflecting its journey from Manipur's farming and artisanal communities to a broader, cluster-based development approach across India. The organisation focuses on empowering women and children through quality education, livelihood and skill-building initiatives, and environmental conservation, while aligning with government policies to ensure the benefits of its work endure for future generations.

Nisarg Agripreneurship Foundation is an excellent fit for professionals passionate about rural development, sustainable livelihoods, education equity, and environmental conservation who want to contribute to community-driven, technology-empowered social change across India.
